ANNUAL GENERAL MEETING

MEETING MINUTES

2025

ITEM 1 – ATTENDANCE

1.1 Present

Members as per the Registration Book.

1.2 Apologies

Mayor Mark Irwin, Andrew Goss, Bart Kok, Bronwyn Meldrum, Dave Philpot, Doug Carter, Grant Rosman, John Rhatigan, Michael Boisvert, Norm Waldeck

ITEM 2 – OPENING & CONFIRMATION OF PREVIOUS MINUTES

2.1 Meeting Opened at 6.30pm

President Cas Ryan in the chair opened the meeting and welcomed all to the 2024/25 Annual General Meeting to finish a very successful year for the Club. She performed an Acknowledgement to Country then welcomed Life Members present: Allan Porteus, Dan Humble, Frank Parlevliet, Jenny Taylor, Justin Meldrum, Karl Smith, Michael Cook, Peter Savage, Peter Taylor

Cas invited Frank Parlevliet to present the Service Medals.

2.2 Presentation of Service Medals – SLSA services medals were awarded to:

- 15 Years – Andrew Mosel
- 15 Years – Clem Ryan
- 25 Years – Mark Barlow
- 25 years – Dean Brooks
- 25 Years – Jenny Brooks
- 30 Years – Adam Bloomfield
- 30 Years – Neil Bowie
- 40 Years – Vicki Savage
- 40 Years – Carol Gibbs
- 40 Years – Norman Gibbs
- 50 Years – Doug Carter

“After gaining his Bronze in the second year he continued helping out on Sunday morning’s, doing Patrols, fund raising, setting up of carnival equipment, transporting gear to carnivals including taking a couple of times the ski and board trailer also another time towing the surf boat to the Aussies in the Eastern States.

Doug was also one of the key individuals who first arranged and fitted out the club Aussies container which took the club equipment including for many years the surf boat. Doug was a member of the old boys club for many years assisting with regular maintenance of equipment and building maintenance.

He was an important member of the Golden Oldies March Past team for many years. Doug becomes the second member to reach the 50-year Long Service member at Trigg, and we congratulate him on this achievement.

I would like his daughter Vickie to come up and collect his 50-year Service pin and certificate from SLSA”.

- 60 Years – Michael Cook

“It would be a disservice not to acknowledge Michael’s achievements during the past 60 years.

Michael Cook joined then Leighton Surf Life Saving Club in 1964 at the age of 18. During his time at Leighton, he had gained on outstanding record of competition and Service leaving that club with Life Membership and six Australian Championship medals to his credit. He transferred to Triggs when I was President in 1976, and I never thought he would have had such a huge impact at Triggs like he has.

If you did not know; Cookie was a Beach Inspector for City of Stirling beaches at Triggs and Scarborough from 1986 until he retired in 2011. Now in 2025 he has achieved the following since transferring from Leighton:

- Life Membership of Surf Life Saving of WA 1994
- Life Membership of Trigg Island 1999
- Surf Life Saving WA Hall of Fame 2000
- Surf Life Saving Australia Masters Hall of Fame 2020

Michael has an outstanding Surf Life Saving Record in competition since shifting from Leighton.

With very many club and 9 State Open Championships Gold plus many Silver and Bronze medals since competing for Trigg. Michael was amongst the first half dozen members to gain a gold medal for Trigg at Australian Aussies. At Kingscliff in 1978 he also won 3 Silver and 2 Bronze Australian Medals in later years.

When SLSA established the Australian Masters Competition Mike continued his dominance.

Since he won his first gold medal in 1993 at Kurrawa Australian Masters Championships

He has won 60 Gold medals, 25 Silver medals,27 Bronze medals, including this year at North Kirra Gold Medals for 75plus Male Surf Race and 75 – 79 Male 2 km Ocean Swim.

In finishing off he was first selected in the WA Surf Life Saving State Team in 1964/65 and remained as a member of the team for 17 years until 1980/81 season. During that time, he was Team Captain for 7 consecutive seasons. During his 60 years in surf, he has only missed one Aussie Championships due to work commitments.

Michael has had an outstanding record in competition, coaching, officiating, education, water safety and therefore has earned being an icon within the movement and we Congratulate Michael on his 60 years with SLSA”.

On receipt of the award, Michael recognised his wife Diane for her support for over fifty years, and he commended the spirit of volunteerism in the Lifesaving community.

Minutes of the 2023/24 Annual General Meeting were confirmed as a Correct record.
Nominator – Allan Porteus, second – Jenny Taylor. Carried

ITEM 3 – RECEIPT & ADOPTION OF THE 24/25 ANNUAL REPORT & FINANCIAL STATEMENTS

3.1 The President presented the Annual Report, with the reminder of printed copies available in the room and the availability of an electronic version. Cas asked if any of the directors would like to speak about their report. Hayden Marchetto (Director Finance and Administration) responded.

3.2 Financial Report – Hayden Marchetto presented the financial report.

The year has marked a significant period of evolution and consolidation of Trigg Island Club. Focus has firmly remained on building long-term stability in supporting our Members and Community.

Total income was \$823,680 – a 12.2% increase from 2024. This strong result comes from sponsorship & grants, merchandise, venue hire and community programs. Membership fees remained steady. Donations and fund-raising rose modestly. There has been deliberate strategic re-investment in key areas of Club growth and member services. Increased expenses were for governance; administration and club operations; venue maintenance and facilities. The latter reflects the growing demand on Club facilities. Community engagement doubled due to increased contractor support. There was a reduced net accounting loss. The reduction does not tell the full story – what matters is our cash flow, and the statement shows positive in-flow. The money in the bank is a clear sign that our Club is financially sound, able to meet obligations and re-invest in our future.

Strategic investment in people: This year we made a major shift in our operational structure. We appointed Chris Beech as our new General Manager role and welcomed Sara Dougall as our new Member and Community Administrator. Both bring a fresh perspective and the right skills to guide us in our next chapter. Working alongside them is Andrew Mosel, who provides Coaching and support across Trigg Island Surf Sports initiatives. Andrew’s structured approach and continuous commitment to improvement have already increased our community connection capabilities.

We farewell and thank Bron and Sam who have moved on to new opportunities. Bronwyn’s commitment has defined the member experience for many years. Sam’s passion for partnerships and inclusion has led to lasting legacy in our community programs. Amber Merritt is on leave, and we celebrate with her, as she begins a new chapter.

There was a notable increase in consultant fees, which reflected a temporary need for professional or project specific support rather than contract-based staff. All the new roles remain and are they permanent employees. Overall, the Club has stayed disciplined in maintaining employment costs in line with operational needs and external funding. Looking ahead our goal for FY 2025/26 is to maintain a clear focus on what matters most: Lifesaving and Education as core services; sustainable growth and revenue through programs and venue hire; ongoing care in managing operating costs; strengthening governance; volunteer engagement, and transparency.

We are not chasing perfection. We are a business; we are planning long term, focusing on impact and staying connected to our purpose- protecting lives, building community and ensuring everyone feels like they belong.

Motion submitted by David Reid: “That the Board provide the members with the audited financial statements via electronic dissemination no later than 10 working days prior to the AGM being held, and that queries about the audited financial results be permitted from the floor during the AGM.”

The Board has discussed the motion and will carry it out the future.

Receipt and Adoption of the 2024/25 Annual Report and Financial Statements

Nominator – Jenny Taylor, Second – Vicki Wray-Watts: Carried

ITEM 4 – AUDITOR’S REPORT

Cas reported that the Auditor was very happy with our finances and has commended us for our processes. A big thanks to Bron and Hayden for that.

The Auditor’s Report is available in the Annual Report (printed and electronic).

ITEM 5 – ELECTION OF OFFICE BEARERS

This season there are four positions on the Board of Directors up for election. Cas Ryan declared the positions vacant and handed over to Chris Davies to oversee the voting:

Only one nomination was received for each of the following positions:

- President – Cas Ryan
- Director of Education – Grant Rosman
- Director of Surf Sports – Jeremy Hunter
- Director of Nippers [one year] – Lauren Robertson

Chris asked for scrutineers and reminded members of voting rights.

Ballot papers were handed out to those who could vote.

- All positions filled as nominated

Chris asked the meeting to destroy the ballot papers.

Cas resumed the chair.

Reminder that Officer nominations are due and can be done online.

Appointments will be made at subsequent Board Meetings.

ITEM 6 – APPOINTMENT OF PATRON AND VICE PATRON

6.1 Patron – Mayor Mark Irwin accepted the position

6.2 Vice Patrons – Cr Tony Krsticevic, Stuart Aubrey MLA and Karen Caddy all accepted the position of Vice Patron.

ITEM 7 – APPOINTMENT OF MEDICAL OFFICER AND LEGAL OFFICER

7.1 Hon Medical Officer – Dr Marianne Phillips

7.2 Hon Legal Officer – Liam O’Shea

ITEM 8 – LIFE MEMBERSHIP

Cas invited Frank Parlevliet to present the Life Membership Nomination.

“The selection of a member for Life Membership is the highest honour that we as a club can bestow.

The person that is being considered must be over the age of thirty years and who has rendered outstanding service to Trigg’s and has a minimum fifteen years of membership excluding Junior membership. Outstanding service is based upon: Excelling in the performance of duties required as an Office Bearer and/or efficient Patrol service during membership and/or outstanding competitive service and/or special service.

Life Membership of Trigg Island SLSC is not awarded for years of service as that is acknowledged on the Long Service Board.

- Craig Piercy

Craig joined Trigg Island in 2002 along with his wife Helen and 3 children Joey, Adam and Lilly. He attained his Bronze in January 2004 and immediately started doing patrols. This was followed by gaining his Advanced Resuscitation Certificate you would need to view SLS record of Results to fully appreciate the number of awards he has achieved some of which include gaining: Silver IRB, Beach Management, Silver Advanced First Aid, Silver Advanced Emergency Care, RWC Jet ski, Drone Pilot, Trainer, Assessor, Facilitator, Official and Coach awards.

Craig has won the following club awards.

- Best Patrol Person
- Champion Patrol Captain
- Junior Club person
- Club Surfboat person
- Best Club person

The highlight of his achievement so far at Triggs is that he has been doing patrols since he obtained his Bronze in 2004 (21 Years) and a Patrol Captain of the Cook patrol since 2005. (20Years). Patrolling our beach is the core of club and his contribution over the years has been nothing but extraordinary.

Your Life Membership committee and the Board of Directors have endorsed the recommendation that Craig Piercy becomes our newest Life Member.”

Frank asked for scrutineers and reminded members of voting rights.

Ballot papers were handed out to those who could vote.

- Vote was unanimous

Craig thanked the Life Members Committee, the Board and all the Club Members. “The Club has been great for our family – this Club like our second family. The best Club on the best beach!”

ITEM 9 – SPECIAL RESOLUTION: CONSTITUTION CHANGE

The position of Club Captain has been part of most club structure since the movement began, generally managing the operational side of the Club. More recently a number of Director positions have been added to the Board. Director of Surf Sport, Director of Life Saving, and Director of Youth are positions that initially were part of the Club Captain’s portfolio however now have equal status on the Board.

A new position of Director of Membership has been recommended. Responsibilities for the Director of Membership would be:

- Membership growth and retention strategies
- Member engagement and culture including:
 - Onboarding
 - Diversity & inclusion
 - Volunteer Coordination
 - Outreach
 - Family engagement
- Member value and benefits:
 - Member recognition
 - Awards
 - Sponsor benefits
 - Partner rewards and value enhancement
- Conduct and resolve conflict and welfare matters including:
 - Emergency & safety protocols
 - Brand and reputation management
- Social Event engagement and management
- Member revenue strategies

The Constitution Committee agrees with the Board’s position and as such we recommend the change to the Constitution as detailed below:

Present

Clause 17.2 Portfolios

The Board will consist of the following Director portfolios:

- President
- Club Captain
- Director of Finance and Administration
- Director of Surf Sport
- Director of Lifesaving
- Director of Education
- Director of Nippers
- Director of Youth

The Board will appoint a Vice-President from one of the Director positions.

Change to:

17.2 Portfolios

The Board will consist of the following Director portfolios:

- President
- Director of Finance and Administration
- Director of Membership
- Director of Surf Sport
- Director of Lifesaving
- Director of Education
- Director of Nippers
- Director of Youth

The Board will appoint a Vice-President from one of the Director positions.

- Change to 17.2 Portfolios – carried

CLOSE OF MEETING

Cas thanked all members for their support over the season and was looking forward to the new season ahead.

There being no further business the meeting closed at 7.19pm.

DIRECTORATE REPORTS

PRESIDENT'S REPORT

It never ceases to amaze me how much we can achieve in just 12 months — and how quickly those months pass. As I approach four years as President, I'm proud of what we've accomplished together, while still feeling energised by the work ahead.

One milestone worth highlighting is our Board composition. For the first time in the club's history, we have one-third female representation. This is a significant step forward and reflects the value of diverse perspectives, experiences and leadership styles shaping our future.

This season we farewell several Directors who have given exceptional service and now make way for new ideas, new energy and continued volunteer leadership. Hayden Marchetto, Chris Davies and Mike Boisvert each leave a meaningful legacy.

Hayden has served eight years on the Board, alongside many years as a Nipper Age Manager with his children. His enthusiasm, professionalism and deep experience have driven progress across countless projects. His attention to detail and incisive questioning have strengthened our decision-making and helped the club evolve with confidence.

Chris stepped into the Director of Lifesaving role four years ago with limited lifesaving experience but a strong desire to learn and contribute. After years as a Nipper Age Manager to his three sons, he embraced the challenge, shaped the portfolio in his own way, and committed himself fully. His presence on the beach — attending nearly every patrol weekend — ensured strong communication with our patrolling members and has left our lifesaving operations in an excellent position.

Mike found his way into the Youth Director role through his children's involvement, and quickly became a champion for youth of all abilities and interests. Under his leadership, our Youth Recognition Program has become the strongest in the state. The number of young members now contributing through training, officiating, coaching and surf sports is unmatched. Mike also established our Youth Advisory Group — an initiative we hope to continue building.

To all three: thank you for your service, your leadership and your commitment to Trigg Island SLSC. We look forward to seeing you continue to contribute around the club.

This year we also welcomed two new Directors — Nipper Director Lauren Robertson and Membership Director Rochelle McKee. Their impact has been immediate, with clear processes, thoughtful planning and strong engagement already evident in their portfolios. Both intend to renominate next season, and I look forward to seeing their continued contribution. Continuing their excellent work mid-term are Surf Sports Director Jeremy Hunter, Education Director Grant Rosman and Special Director Paul Burton.

The restructure of our paid staff during the off-season has also strengthened the club. The addition of General Manager Chris Beech and Administrator Rene Venoutsos has helped professionalise our operations and support the Board's strategic work. Head of Athlete Development and Coaching Andrew Mosel continues to elevate our athletes, enabling them to perform at the highest levels on both State and National stages.

Across the season, member engagement has been outstanding. Our Nippers Open Days set the tone early, patrols have been consistently well supported, and members have continued to build capability through initiatives such as LCPR. We introduced new merchandise, strengthened sponsor relationships, delivered a vibrant calendar of social events, and welcomed a new kiosk provider — all contributing to an enhanced experience on and off the beach.

We also embraced initiatives that reflect the heart of our club: the Waves of Readiness event, Abalone Patrols, the launch of our All Abilities Program, and our first ever Pink Patrol. These moments build culture, connection and pride in Our Island.

Our athletes have represented Trigg with distinction. From State Team selections and sending a team to the Manly and Freshwater Carnivals, to hosting the Youth and Open State Championships — followed by the Nippers State Championships on home sand — it has been an enormous season. To then finish with our most successful Aussies campaign ever, with medals across Youth, Masters and Open, is an achievement the entire club can celebrate.

We continue to engage the Community with initiatives such as Migrant Swimming lessons and Surf Safety sessions at the beach. We have just received a significant grant from the City of Stirling to help continue our Beach School and widen our reach in the suburbs. This is an exciting initiative, one that can make a real difference with drowning statistics and beach safety.

None of this happens without the people behind it.

To every member who patrolled, competed, coached, officiated, volunteered, supported, or simply contributed to the spirit of the club — thank you. You are the reason we continue to grow stronger each year.

As we transition into IRB and Pool Rescue seasons, we do so with great momentum and an eye toward an even bigger and better 2026–27.

Thank you for being part of this journey.

Cas Ryan
PRESIDENT

DIRECTORATE REPORTS

MEMBER SERVICES

Our Trigg Island Surf Life Saving Club (TISLSC) members have achieved outstanding results across all areas in 2025-26. The opportunities that we are able to provide to our members is made possible by the tireless dedication and efforts of our many volunteers, and staff, who play a vital role in supporting our club activities.

Growth in overall membership

For the first time in three years, TISLSC achieved growth in total members, from 1,179 in 2024-25 to 1,334 in 2025-26. This is an excellent result, underpinned by a 17% growth in our Nippers program, to 476 members. This was our largest Nippers program at Trigg Island since 2021-22, and is testament to the hard work and dedication of the age group managers, parent volunteers, water safety and beach set up crew each week. Our Nippers are the future of our club, and we look forward to continuing to grow and improve our program next year.

New All Abilities program

TISLSC also launched a new All Abilities program this year, running alongside the Nippers program. A total of 15 children joined the four-week trial, focusing on beach safety, skill development, water activities and board riding. It was rewarding to see the confidence, skills and enjoyment of the participants grow each week, and more and more volunteers turning up to enthusiastically assist in the delivery of the program. Congratulations to all involved, and we look forward to continuing to

deliver more inclusive opportunities next year.

The courage of our lifesavers

This year, our lifesavers were involved in some complex and challenging rescues and situations. Our lifesavers are highly trained by our experienced Education team, however nothing could prepare our first responders for the challenges they faced. We cannot speak highly enough of our members who attended these rescues, and showed courage and resilience to provide excellent care, in very difficult circumstances. Our club exists to save lives, and when the call came, our members could not have made us prouder.

Outstanding competition results

Congratulations to our surf sports competitors and coaches on more outstanding results across beach, surf, lifesaving, rescue, boat and masters competition. Whether you medalled at The Aussies, or participated in your first carnival under the red, green and white cap this year, we are proud of the way you dedicated yourselves to training, and represented our great club.

Finally, thank you to everyone who volunteers their time to our great club, in both formal and informal roles. We appreciate you all, and everything you do for our Trigg family.

Rochelle McKee

DIRECTORATE REPORTS

FINANCE AND ADMINISTRATION

FY2025/26 At a Glance

Key Indicator	FY 2025/26
Cash Reserves	\$427,322
Total Assets	\$1.03 million
Net Assets	\$949,739
Sponsorship & Grant Income	\$253,750
Membership Revenue	\$194,695
Inventory Reduction	56% reduction
Operating Cash Flow	+\$50,693

Our investment

FY2025/26 was a year of investment, organisational development and preparation for the future at Trigg Island Surf Life Saving Club.

Throughout the year, the Club focused on strengthening operational systems, improving governance, reducing commercial risk, increasing external funding opportunities and progressing significant infrastructure projects that will support members for years to come.

While the audited financial statements report a net accounting loss of \$105,464, this result includes significant non-cash depreciation and amortisation expenses associated with Club assets. Importantly, the Club’s underlying financial position remained strong, with cash reserves increasing to \$427,322 and positive operating cash flow generated throughout the year.

Achievements FY2025/26

Reduced commercial risk

- Outsourced kiosk operations to Club Social WA (part of North Beach FC)
- Transitioned merchandise to New Balance online platform
- Reduced inventory holdings from \$69,290 to \$30,248
- Improved operational efficiency and reduced volunteer burden

Increased External Funding

- Sponsorship and grant income increased from \$171,004 to \$253,750
- Growth in donations and fundraising income from \$36,120 to \$56,209
- Strengthened stakeholder and community partnerships
- Increased revenue diversification through external funding sources

Strengthened Organisational Capability

- Appointed a full time General Manager
- Increased operational capacity
- Enhanced governance and reporting systems
- Improved sponsorship and stakeholder management

Financial Snapshot

Revenue FY2025/26

- Memberships: \$194,695
- Food, Beverage & Merchandise: \$176,134
- Sponsorships & Grants: \$253,750
- Donations & Fundraising: \$56,209
- Other Income (trading and finance income): \$117,005

Total Revenue: \$797,793

Investing in the Future

A major focus throughout FY2025/26 was preparing the Club for future growth and facility development.

The Club invested in planning and development activities associated with Stage 1 and Stage 2 infrastructure projects, including surveying, design work, approvals, permit applications and project planning. These activities are essential to securing future funding opportunities and ensuring the Club is ready to deliver upgraded facilities when construction commences.

Financial Position at 30 April 2026

Balance Sheet Snapshot	
Cash & Cash Equivalents	\$427,322
Trade Receivables	\$5,066
Inventory	\$30,248
Property & Equipment	\$564,445
Total Assets	\$1,027,081
Total Liabilities	\$77,342
Net Assets	\$949,739

While the Club reported an accounting loss of \$105,464 for FY2025/26, this result reflects significant investment in Club capability, infrastructure planning activities, facility related expenditure and depreciation of Club assets. Importantly, cash reserves increased by \$16,808 during the year and operating activities generated positive cash flow of \$50,693, demonstrating the Club’s ongoing financial resilience and capacity to invest in its future.

Looking Ahead

The Board remains focused on ensuring Trigg Island Surf Life Saving Club remains financially sustainable, operationally strong and well positioned for future growth.

Priorities for FY2026/27 include:

- Progressing Stage 1 and Stage 2 infrastructure projects
- Continuing sponsorship and partnership growth
- Maintaining strong financial governance
- Expanding community engagement opportunities
- Supporting members through improved facilities and services

The Club enters FY2026/27 with strong foundations, healthy cash reserves and a clear focus on long term sustainability, community impact and future growth.

Thank You

As this is my final Finance & Administration Report, I would like to thank the many volunteers, members, staff, sponsors, fellow Directors and Life Members who have contributed to the success of Trigg Island Surf Life Saving Club throughout my time on the Board.

Having served as a Director since 2018, and as an Age Group Manager before that, it has been a privilege to contribute to an organisation that plays such an important role in the lives of its members and the wider community.

While Board service has been an important part of my journey, what matters most is what the Club has given my family and me. Trigg continues to

provide my children with opportunities, friendships, confidence and life lessons that extend far beyond the beach. It has also connected us with a community of people who generously give their time, care deeply about others and contribute to something larger than themselves.

I leave the Board confident in the future of the Club. Trigg enters its next chapter with strong foundations, committed volunteers, capable staff and an exciting vision for the future. Most importantly, it remains a Club built on the values, relationships and community spirit that have always made it special.

Thank you for the opportunity to serve. It is a privilege for both me and my family to be part of the Trigg community, and we will always be proud to call this Club home.

Hayden Marchetto
DIRECTOR - FINANCE AND ADMINISTRATION

DIRECTORATE REPORTS

LIFESAVING

Under the season 25/26 Service Agreement with the City of Stirling, we provided patrols for Trigg Beach from Saturday October 4th 2025 to Sunday March 29th 2026, on weekends and public holidays amounting to 113 rostered patrols provided by 16 patrol teams and the voluntary AM patrols of Christmas day and New Year's Day.

In addition, we provided 3 Abalone patrols across the 3 abalone fishing season dates that went ahead, with the both the final rostered date and the backup date being cancelled due to safety concerns.

Prior to the commencement of patrols, we again allocated members to patrol teams as they re-enrolled or gained new qualifications, with a view to maintaining consistency for patrol membership balanced against requests (based on friendship and family groups). While we were not always able to accommodate everyone's requests overall, a balance was achieved. James put in a lot of time initially to work out teams at the beginning of the season and the youth team were able to provide insight into the best groupings for new SRC award holders, as the education team completed courses through the season. We also responded to a handful of requests for members to change patrols for various personal and work reasons.

Major incidents

This season, some of our members were involved in two separate, unsuccessful rescues, which were outside of our patrols' usual reach and ended tragically.

One was outside of patrol hours, and another was outside of our patrol area, up towards Mettams, and where in both cases, despite extraordinary application of skills, a successful outcome remained just beyond their grasp.

There is no question that everything humanly possible was done by some of our most capable members and other first responders, but sometimes things are just not within our power to control.

This serves to reinforce just how impactful, every rescue, every first aid and every preventable action really is. I specifically include preventable actions there, because while we can't be everywhere, those little pieces of education can be.

Patrol Teams

This season we introduced a new patrol in the form of "Carthew Patrol", captained by David Cox. This spread the individual member patrol requirements further which was well received.

We were fortunate again that a majority of our patrol captains and vice captains continued in their roles providing stability to the lifesaving area.

We also welcomed some new Patrol Captains who were supported by experienced patrol teams and/or assisted by experienced patrol captains. We are fortunate that we continue to have a lot of diversity in our patrol leadership group with a spread of ages, gender and experience.

Voluntary attendance patrols

This year our calendar we again included a second voluntary attendance patrol on the morning of January 1st coined the "President's Patrol" captained by our President, Cas Ryan.

Special thanks to all those that attended both Christmas day AM patrols as well as the New Year's day AM President's patrol.

Pink Patrol

Also, on the calendar this year was our inaugural participation in "Pink Patrol" celebrating female contributions to Lifesaving and Surf Club culture more broadly. The patrol on 15th March 2026 was organised by Jenny Taylor with volunteers signing up to be part of the special celebration.

Abalone

In addition to our standard beach patrols, Trigg committed to provide patrols to each of the four abalone rostered Abalone season days. The final date was ultimately cancelled due to safety concerns with a backup date activated, which was also cancelled due to safety concerns.

Trigg Island SLSC provided 2x IRBs with drivers and crews, 2x Jetskis with operators, land-based patrols, first aid capabilities and coordination in our zone, which extended from Trigg island to north of Bailey Street. Swanbourne Nedlands Surf Club again provided additional land-based personnel to this zone, extending our capabilities and experience.

Members gained valuable experience operating in and around the reefs to the north of Trigg Island.

John Rhatigan performed the roll of Land Zone coordinator and recruited members to assist with land-based activities for the 3 patrols.

Justin Meldrum assembled equipment and operators and crew for the water-based patrols.

SLSWA topped up our supplies of PPE in the form of booties and gloves where required for operations on the reefs. The state government funds SLSWA to provide water safety for the season days and Trigg Island SLSC received a share of that based on the resources that we provided.

Our members were not required to assist in rescues this summer, but generally were able to focus on preventative actions and a handful of first aid cases.

We also proved a drone for additional safety for the 3rd date.

Shelter refurbishment

Prior to the commencement of patrols, Dean Brooks dismantled the patrol shelter and undertook a stripdown of the shelter base trailer. The trailer was sandblasted, Re-galvanised and new bearings, axle etc. installed. This will greatly improve the longevity of the shelter.

RWC

A roster operated across the season providing RWC support to the majority of morning patrols and some afternoon patrols. RWCs also operated in water safety roles for carnivals. For most of the season we had the use of 2x RWCs allowing us to provide multiple RWCs when required, for instance during abalone patrols where we were able to provide 2x RWCs with driver and crew in addition to multiple IRBs. The RWCs are owned by SLSWA with a cost sharing arrangement in place for repairs and maintenance of the craft allocated to us.

IRBs

This season we have continued to have access to a good number of IRB drivers thanks to the thriving IRB racing team. This has taken the pressure off what was becoming a weekly task of finding sufficient drivers for rostered patrols over the last two seasons.

Patrol Statistics

In the 2025/26 season we provided 113 rostered patrols comprised of members amounting to 7621 hours which is higher than previous years of similar length seasons, largely due to slightly increased

numbers of members participating in patrols.

Beach Attendance	105,543	↑
First Aid	103	↓
Preventative actions	2174	↑
Rescues	26	↓*
Patrol Hours	7621	↑
Patrolling Members	273	↑

*IRB 10, Board 4, Tube 5, No Gear 1

26 rescues were recorded this season, down from last season, but in line with seasons prior to that. Powercraft continued to perform the majority of rescues, with boards and tubes mostly involved in the rest.

Preventitive actions continue to climb, showing how hard our patrols were working to keep the public safe.

103 first aids were performed, down from last season, but mostly marine stings and minor cuts and abrasions. Unfortunately, our members attended one drowning while on patrol, albeit outside of our primary patrol area.

2 incidents required CPR, 3 required ambulances, 5 advised to seek further medical attention.

Of the 273 members who patrolled this season, 10% are Long Service or Life Members.

I'd like to take this opportunity to publicly thank everyone who contributed to this season, including my immediate team - James, Justin and Dave.

Thanks to all the Patrol Captains and Vice Captains, The ARTs and first aid volunteers.

Thanks to the IRB drivers and crews - drivers in particular as they are regularly asked to shoulder more than their fair share of the heavy lifting.

Also, thanks to all the Bronze and SRC award holders who make up the rank and file of our capabilities.

There is also an army of almost invisible members that quietly go about their business behind the scenes during the week, making sure that everything keeps ticking along for the following weekend that I would like to thank.

I'd also like to acknowledge that none of this would be possible without the admin team, the education team and of course our sponsors.

Chris Davies
DIRECTOR - LIFESAVING

DIRECTORATE REPORTS

EDUCATION

The 2025/26 season represented one of the most operationally demanding years for the education portfolio in recent memory, and the team responded with distinction.

The introduction of the new Lifesaver CPR upgrade required a fundamental revision to the format and delivery of the club's skills maintenance program. Reaching more than 300 members through this transition was a considerable undertaking, and the small education team that made it happen deserves enormous credit. Their commitment to getting this right, under real pressure and with limited resources, was something to be proud of.

Expansion of trainer and assessor qualifications across multiple disciplines was a deliberate priority this season. Of particular note was the addition of a number of youth members and newer club participants to the training team. Seeing these individuals step into training and assessment roles is one of the genuine highlights of the season. They bring energy and fresh perspective to the team, and their involvement strengthens the long-term foundation of the education program at Trigg.

Full provision of all award offerings was maintained throughout the season, delivered either directly by the club's education team or through partnership training arrangements. The outcome was a measurable increase in the number of members holding powercraft and advanced medical qualifications on active patrol, directly enhancing the club's rescue capability. This is exactly what the education program exists to achieve.

A multi-agency emergency exercise and training day was delivered in partnership with WA Water Police, the Australian Defence Force, Whitfords Volunteer Marine Rescue and St John Ambulance. The exercise provided members with structured exposure to complex, multi-agency emergency operations and represented a genuinely memorable addition to the club's training calendar. The planning and coordination required to bring this together was substantial, and the experience it provided to our members was of real and lasting value.

The season concluded on a wonderful note with the education team receiving the inaugural Team of the Year award at the club's Annual Awards Dinner. This recognition means a great deal, because it acknowledges work that is so often carried out quietly and without fanfare. The award belongs to every trainer, assessor, facilitator and member who contributed to the education program this season, whether they designed and delivered courses, assessed and processed awards, or simply stepped up to support a training session when they were needed. Every contribution mattered, and together they added up to something the whole club can be proud of.

Looking ahead, priorities include sustaining the expansion of the training team, continuing the development of digital delivery options to improve accessibility, and maintaining the full suite of structured award pathways from foundation through to advanced and leadership qualifications.

To our trainers, assessors, facilitators, coordinators and support volunteers, thank you sincerely. The safety of every person on Trigg Beach each patrol season begins with the work you do, and that work does not go unnoticed.

Grant Rosman
DIRECTOR - EDUCATION

DIRECTORATE REPORTS

SURF SPORTS

Trigg Island SLSC has delivered another outstanding year in Surf Sports, achieving exceptional results at both state and national levels across Youth, Open, and Masters competition.

The club was crowned Open WA Surf League Champions and secured 2nd place overall at the WA State Championships, finishing with an impressive 115 medals (46 Gold, 35 Silver, 34 Bronze). This success carried through to the Australian Championships, where Trigg Island finished as the top-performing WA club and achieved the highest points score in the club's history at Aussies.

These achievements reflect the dedication and commitment of our athletes, coaches, officials, managers, volunteers, and families. Equally important was the way our athletes trained, supported one another, and represented the club throughout the season—something the entire Trigg Island community can take great pride in.

In addition to our competitive success, the club successfully hosted several carnivals throughout the season. These events not only strengthened our presence within the surf sports community but also generated valuable income for the club.

As a club we had our busiest year of Nipper and particularly Open carnivals with SLSWA trusting us as a reliable to club to host and run events smoothly. This provides the club with valuable income, approximately \$40,000 to support the Surf Sports Program.

Australian Championships Performance

Across nine days of competition, Trigg Island once again demonstrated its strength on the national stage:

Open Competition

15th overall in Australia (highest WA club)
Over 40 finals appearances
20 Top 6 finishes, including:
3 Gold, 1 Silver, 3 Bronze medals
6 fourth-place finishes

Achieved the club's highest-ever points score at an Australian Championships, equalling its best Open result.

Youth Competition

9 athletes competing
4 Silver and 1 Bronze medals
11 finals appearances
Every athlete qualified for at least one final

Masters Competition

12th overall in Australia (top WA club)
8 Gold, 3 Silver, 3 Bronze medals
These results highlight the strength, depth, and consistency of our program across all age groups.

Representative Honours

Trigg Island athletes continued to excel beyond club competition, earning selection in both national and state representative teams during the 2025/26 season.

The club had three athletes selected for the Australian Lifesaving Team, while a further 12 athletes were selected in Western Suns WA State Teams, showcasing the quality and depth of our Surf Sports program.

Australian Lifesaving Team

Jake Smith — World Games & German Cup
Harrison Hynes — World Games & German Cup
Eleanor Flowers — Battle of the Tasman

Coaching and Leadership

A sincere thank you to our coaching team:

Dave Motteram
Todd Brewer
Reece Baker
Max Hunter
Kate Mosel
Norm and Carol Gibbs
Troy Baird

Head Coach: Andrew Mosel

Their leadership continues to develop not only high-performing athletes but also a strong and positive club culture.

This season also saw the appointment of new—and notably younger—Surf Sports Captains. Zoe Moore and Blake Monogram embraced their roles with enthusiasm, gaining valuable insight into the work behind the scenes that supports our program. Thank you both for your contributions.

Area Captains

We also acknowledge the invaluable support of our area captains:

Board Captain: Todd Hawkes

Ski Captain: Reece Baker
Masters Captain: Dianne Doike
March Past Captains: Carol and Norm Gibbs
Beach Captain: Amanda Versace
IRB Captain: Adam Yeo
Boat Captain: Clare Armstrong

Looking Ahead

Following another highly successful season, I look forward to a well-earned break over winter before commencing preparations for what promises to be another exciting and competitive year ahead.

Thank you to everyone involved in Surf Sports at Trigg Island for your continued commitment and contribution.

Jeremy Hunter
DIRECTOR - SURF SPORTS

DIRECTORATE REPORTS

NIPPERS

In the 2025/26 season the Trigg Island Woodside Nippers Program continued to grow, building on the existing strong foundations. The purpose of our Nippers Program focused on:

building individual safety and surf awareness skills and competence
developing our club's future lifesaving, youth membership and surf sports talent pipeline
facilitating a sense of belonging and connection for nippers and their families to being a Trigg Island SLSC member

Outcomes that demonstrated that our purpose was achieved included:

- 15% increase in nipper membership numbers, reflective of retention and additional attraction
- 47 new Nipper Rescue Certificate (NRC) parent award holders and 40 complete NRC skill maintenance in addition to SRC and BM award holders, a 20% increase of new NRC award holders from 2024/25
- Increased number of additional training sessions available across both beach and water disciplines, well received by Nipper families offering variety of sessions and times across the week
- Improved Nipper States performance with 4th place (190 points) vs 2024/25 6th place overall (119 points)
- Positive feedback regarding the Nipper Open Day and quality of club wide and age group specific communications

These outcomes could not have been achieved without the work of our Nipper Committee this season, consisting of Age Managers, Nipper Water Safety Coordinator, Nipper Education Coordinator and Nipper Gear Officer. With planning having commenced in July 2025, work was undertaken to prepare the committee to deliver the Nipper curriculum across the pillars of individual safety, surf awareness, lifesaving and surf sports, across both Sunday morning sessions, as well as additional training and engagement opportunities across the season.

To ensure the delivery of our Nipper program, Education Coordinator Jenny Taylor, planned and delivered multiple Nipper Rescue Certificate courses to increase our water safety personnel numbers across all age groups, as well as running skills maintenance sessions for existing parent members to continue to provide this invaluable

service as part of our Orange army.

Kirk Phillips as our Water Safety Coordinator, ensured that Powercraft equipment and personnel where organised resources where organised, liaison with the Lifeguards for nipper activities beach space each week, providing our water safety personnel with a briefing and providing overarching surveillance of our water activities each Sunday. With Kirk stepping into a new role for the 2026/27 season, we wish to thank Kirk for this contribution in this role of the past years.

Key highlights of the Nippers season included:

- A new format to the Nipper Open Day prior to our first Sunday on the beach. This was very well received and built excitement for the season ahead a vibrant social atmosphere
- U13 camp for our largest nipper cohort in several years, focused on connection, teamwork and future lifesaving pathways as well as opportunities to connect with the Youth program across the season
- Increased multi-age group activities, offering younger nippers opportunities to learn from older nippers, as well as leadership and development opportunities for our older nippers
- Delivery of the inaugural All Abilities Program, with exceptional feedback from participants
- Female nipper participation in the Pink Patrol on Sunday 15 March, showcasing diverse pathways in surf life saving at Trigg supported by female members
- Weekly nipper participant reward and recognition aligned to club values through the club's partnership with Yochi
- Participation at the Albany Country carnival. This was a significant increase of numbers from previous years, with 25 nipper participants across multiple families travelling to the event. The increase was attributed to social connection between nipper families, with memories made and momentum for future years
- Hosting the Nipper Ocean Championships, competing on our home beach with strong representation across all age groups and events

In addition to our Sunday morning sessions, additional training sessions were expanded this season to support surf sports outcomes and to meet the demand of nipper members wanting additional opportunities further develop their skills.

The weekly nipper training schedule offered both weekday before school and after school sessions to accommodate for varying family schedules and weekend session. Some board training sessions where run in conjunction with Youth members to facilitate connection across age groups and to enable extension to stronger nipper participants.

Beach sessions were also introduced and delivered by a parent and youth beach athletes as coaches. Nipper members valued having older peers as coaches and also enabled an opportunity for Age Managers to attend, learn key coaching techniques to apply directly into Sunday morning sessions. All training sessions included a focus on connection, personal challenge and learning. Nippers built a strong rapport with coaches and parents appreciative for the varied sessions available across the week. A massive thank you all our coaches who contributed to the growth and development of our members.

For our 53 U13s nippers and Age Managers it is quiet a milestone to complete their final year of nippers, and transition into our Youth Program. As the largest U13 cohort our club has had in the last 10 years, this is a testament to the positive impact the Age Managers this group had had over the years, including Adam Yeo, Jacob Smith and Renee Liddell, supported by an amazing group of parents involved in water safety, leading our parent volunteer representative and also across other roles in the club. Each year the club awards two Nipper specific awards.

This year's Nipper Achiever Award was awarded to Georgia Hannigan, in recognitions commitment to her development of her lifesaving, surf sports, individual safety and surf awareness skills, but also her maturity, commitment to being part of a team, supporting her peers and work ethic. She will go on to represent Trigg at the SLSWA Nipper and Youth Achiever Awards in May 2026.

Our Nipper Parent Award was awarded to James Noakes. Over the duration of his parent nipper journey, James has consistently been involved in set up and pack up each Sunday, assisted Age Managers in session delivery, provided water safety including IRB duties and U13 camp parent helper. Thank you James for all you have done for our Nippers community.

Leading the delivery of our Nippers Program is an absolute privilege. I wish to acknowledge the work of our Nipper committee and coaches, who are the backbone of our program and directly influence the positive experience each of our nippers have across the season. Thank you also to all our parent volunteers, whether you are providing water safety, assisting with set up or pack up or event assistance, everyone's contribution enables our program to run each week.

I look forward to seeing our Nippers Program continue to thrive in the 2026/27 season.

Lauren Robertson
DIRECTOR - NIPPERS

DIRECTORATE REPORTS

YOUTH

The 2025/26 season was a wonderful one for our youth program, with 101 youth members from U14 to U19 taking part in patrols, social events, competition and club life, all while contributing so much to the spirit of Trigg SLS Club. This program is only possible because of the support of a wide network of people across the club, and I would especially like to thank the Youth Committee for the time, care and effort they have put in to make the season such a success.

Kirk Phillips – Youth Development Coordinator

Jenny Taylor – Youth Leadership Program and NRC Coordinator

Cathy Reidy – Youth Social and Wellbeing Coordinator

Indiah Reidy – Youth Advisory Group Coordinator

A special thank you also goes to Kimber Radford, Kate Verkuylen and Risma Price for assisting with Youth Sundays and on the Youth Committee. Thanks to Kevin Duguid, Lindsay Nelligan, Sam May and Jonny Roberts for their support with the Youth Camp. I would also like to acknowledge Head Coach Andrew Mosel and Youth Coach Dave Motteram for everything they have contributed throughout the year. We were also fortunate to have Ski, March Past, R&R, IRB and Boat coaches whose time and expertise made a real difference to our youth members. The coaching program

ran across both Winter and Summer and led to terrific results at both States and Aussies. Most importantly, thank you to all of our parents who generously gave their time to help, encourage and support the youth program in so many ways.

The season began with a strong focus on Bronze Medallion, Surf Rescue Certificates and requalification, with our youth members working hard to build the skills and confidence needed for patrol. This remains the foundation of Surf Life Saving, and the commitment shown by our young surf lifesavers in preparing for this responsibility was something to be very proud of.

Youth activities throughout the year included a Volleyball Night at the North Beach Volleyball Centre, the Around the Island Challenge, Movie Night, Sunset BBQ and Ping Pong and Pizza Night. Thanks to the Youth Advisory group to organising these events. A standout on the youth social calendar was the Youth Camp, held over a weekend in the Southwest. The camp gave youth members a fantastic chance to connect across age groups and disciplines, build friendships and start the season on a positive and welcoming note.

Each year, the Avenell family generously donates a Long Board to one of our emerging youth members. This year, Alby Haines was the recipient of the Avenell Board. Congratulations, Alby.

Supporting the development of our youth members in every aspect of Surf Life Saving continues to be a central aim of the Youth Program. Trigg Island runs one of the strongest Youth Leadership Programs on the West Coast, and this year we had 8 Gold Level award winners. This is a wonderful reflection of the effort, service and leadership our youth continue to show across the club.

Gold Level was awarded to:

Sam Roberts, Alex Duguid, Macey Johansson, Annaliese Verkuylen, Hudson Hort, Danja Worrada, Kayleigh Broom, and Bridget Barbaro

These young members are outstanding contributors who continue to give back to the club in so many meaningful ways. Congratulations to all of them.

Silver Level was achieved by:

Sam Butler, Olivia Kuscevic, Brylee Rosman, Ibrahim Bhatti, Bridget Barbaro and Olly Browne.

Bronze Level was achieved by:

Jedda Carr, Mahi Love, Leo Culley, Leon Verkuylen, Grace Lawson, Gabe May, Jordy Vladich, Riley Wade and Jake Emmott

These achievements reflect the depth and strength of the youth program that Trigg has continued to build over the past five years through the Youth Leadership Program.

As part of the Youth Leadership Program, our youth members also have the opportunity to work towards awards as Youth Trainers, Youth Officials, Youth Coaches and Youth Age Group Managers. Those who achieved their Trainer, Official, Coach and Age Group Manager awards were:

Youth Coaches: Three youth have completed all practical coaching activities: Brylee Rosman, Danja Worrada and Sam Butler.

Youth Officials: Jedda Carr and Brylee Rosman

Youth Age Group Managers: Mahi Love

Youth Trainers: Leon Verkuylen Youth Trainer and Bridget Barbaro Senior trainer

Supporting our U13 members as they transition into Youth continues to be an important focus for the club. To help with this, Jenny organised a Nipper Transition Clinic where youth members help coach younger members in paddling a long board. This clinic was run in the week over the Christmas period, and it was terrific to see so many U13s giving it a go with the support of our youth members as coaches. Youth Coach Dave

Motteram also plays an important role in this development, running coaching sessions across the season that include the U13s.

Each year, SLSWA runs Youth Leadership Camps that support the growth of young leaders in the community. This year, four youth members represented Trigg at these camps: Nina Nelligan and Layla Bornmann attended the TOAD Camp, while Indiah Reidy and Ibrahim Bhatti took part in the Rise Up Camp.

This year, Trigg Island enjoyed outstanding success across all areas of surf sports, including Rescue and Resuscitation, March Past, Boats, IRBs, Boards, Swimming, Skis and Pool Rescue. It was wonderful to see so many of our youth members challenge themselves, compete with pride and perform so strongly throughout the season.

A special mention goes to the youth members who represented the Western Suns State Team: Ella Brigden, Ellie Neervoort, Sam Butler, Macy Boisvert, Alisha Beeny, Billy Hawkes, Zoe Moore, Annika Negus, and Milly Kok.

The season finished on a high, with many Trigg youth members recognised at both the SLSWA Youth Award Presentations and the Trigg SLSC Annual Awards Dinner. Congratulations to the following youth members on an outstanding year.

SLSWA Youth Awards

U15 Surf Sports Age Champion: Ellie Neervoort

U14/15 Lifesaver of the Year Nominee: Alex Duguid

Youth Official of the Year: Indiah Reidy

Youth Achiever of the Year Nominee: Indiah Reidy

Trigg Awards

Youth Male Athlete of the Year – Ned Eldon
Youth Female Athlete of the Year – Macy Boisvert
U19 of the Year – Blake Monaghan
U17 of the Year – Indiah Reidy
U15 of the Year – Alex Duguid
U14 of the Year – Jordy Vladich
Rising Star – Mia Watters
St Mary’s Award – Mahi Love
Young Lifesaver of the Year – Alex Duguid

It has been a fantastic year at Trigg Island, and we are excited about what lies ahead. Thank you to everyone who has played a part in making the season so positive and successful. Stay safe.

Mike Boisvert
DIRECTOR – YOUTH

DIRECTORATE REPORTS

APPOINTED DIRECTOR

At the time of writing my report for last year’s Annual Report, I had been a Board Appointed Director for a little over 6 months, and I wrote “we must respectfully question the status quo, ensure sound foundations for our decisions, and work collectively to strengthen the Club’s legacy for generations to come.” A further 12 months down the track and to me this statement couldn’t be more accurate, and I am pleased to say we have made progress.

The Club has a bold aspiration to upgrade its facilities, not just for the short term with the cosmetic upgrades that are currently underway, but for the long term as documented in the Trigg Island SLSC Masterplan, with the creation of new buildings and infrastructure to support the next generation of Trigg Island SLSC members and the wider community.

These aspirations require significant support and action from a number of active members, fortunately we have seen this action from the Building Committee ably led by Rob Innocent and Paul Lynch, our General Manager Chris Beech including as well as members from our Board of Directors. The work completed over the last year has included a range of meetings with Federal, State and Local Government elected members to pitch our vision and seek support, both in terms of buy in to our aspirations for the Trigg Beach precinct but also financial support to fund such an undertaking.

As you would expect this takes months and months, if not years and years of consistent influencing and a co-ordinated approach, so that our narrative is consistent across the Master Plan working committee, until we get some firm commitments from various levels of government to formally include the costs into their respective budgets for our Master Plan to ultimately become a reality in the years to come.

Consistent with the theme of questioning the status quo to strengthen the Club’s legacy for years to come, I have been working for a number

of months on putting together a document on the culture of our Club. Whilst there are many areas we should be celebrating, no Club is perfect and to ensure that we actively seek to attract and maintain as many young Lifesavers as possible, it requires an honest review and a set of recommendations, which will soon be delivered to the Board of Directors at our next Board Meeting.

The intent of the review and recommendations is to identify practical ways we can continuously improve the experience everyone has when they have an interaction at TISLSC. Most parts of what we do, don’t require any adjustments but there are some areas where we can be better and subject to Board support, we intend to make some improvements in the way we interact with some members to ensure that they want to come back not just in the short term but for years to come.

Paul Burton
APPOINTED DIRECTOR

DIRECTORATE REPORTS

BLUE HOLE CLUB

Statistics and Milestones

56 individual swimmers average 28 each week.
19 scheduled swims inc. today. 15 actual swims
with 4 cancelled due to bad weather.
2 swimmers did all. Mark Barlow & Mike Cook
100 swims – Neil Bowie, Luke Upfold

Trigg v Scarboro Polar Bears on the 6th of August.
Hosted by Trigg.

We got it right this time. Massive thanks to our
younger swimmers taking out the first 4 places.
Billy Hawkes, Hayden Headling, Elenor Flowers and
Aden Mills.

To commemorate this win we have commissioned
a special trophy to be awarded to the winning
club. This has been named the 'Brian and Chippy
Cup' in honour of our 2 dearly departed Blue Hole
members Brian Carthew OAM and Don 'Chippy'
Greenhill.

Thank you

Mike Cook for risk assessment
Kevin Edwards for in water safety and assistance
Les Lindsay & Kimber Radford (Handicaps)
Nan Carthew along with Roy and Theresa Watkins
Kristine Gillmore (Timing and Recording)
John, Bart, Todd, for sorting things when I was
away surfing
Craig Martin for our fund-raising jumpers

Special Mentions

My thanks to everyone that assisted with our IRB's
and water safety.

Adam, Declan, Anna, Neil, Justin, Indie, Tamar, Elliot,
Kirk, Jacob, Ryan, Imogen and Justin. Brad Headling
& John Whittaker For assisting me when our IRB
team was away racing.

Season Results

A Grade

1st Geoff Wilson (64)
2nd Craig Martin (61)
3rd Mike Cook (57)

B Grade

1st Mark Barlow (67)
2nd Nick Journet (60)
3rd Bart Kok (60)

Ken Dobson Award

The Flowers Family

My personal thanks to all the Blue Hole swimmers
and helpers. I really do appreciate all of your
efforts to make this a fun (slightly competitive) and
social swim. To everyone who baked cakes, helped
on the beach or in the kitchen and cleaned down
gear and boats. This is a team effort week in, week
out and I hope to see all of you next winter.

Trigg Island Surf Life Saving Club Inc

Notes to the Financial Statements
For the Year Ended 30 April 2026

The financial statements cover Trigg Island Surf Life Saving Club Inc as an individual entity. Trigg Island Surf Life Saving Club Inc is a not-for-profit Association incorporated in Western Australia under the *Associations Incorporation Act (WA) 2015* ('the Act').

The principal activities of the Association for the year ended 30 April 2026 were:

- Provision of weekend patrols on our beach in delivering an essential lifesaving service;
- Provision of training courses to enhance the skills of our members; and
- Participate in Surf Sports events, locally, interstate and internationally.

The functional and presentation currency of Trigg Island Surf Life Saving Club Inc is Australian dollars.

The financial report was authorised for issue by the Committee of Management on 10th June 2026

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards – Simplified Disclosure and the Act.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The accounting policies set out below have been consistently applied to all years presented.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Grant revenue

Grant revenue is recognised in the statement of profit or loss and other comprehensive income when the entity obtains control of the grant, it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

Trigg Island Surf Life Saving Club Inc

Notes to the Financial Statements
For the Year Ended 30 April 2026

(a) Revenue and other income (cont.)

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Trigg Island Surf Life Saving Club Inc receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of profit or loss and other comprehensive income.

Donations

Donations and bequests are recognised as revenue when received.

Interest revenue

Interest is recognised using the effective interest method.

Rendering of services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated, then revenue is recognised to the extent of expenses recognised that are recoverable.

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

1. Revenue is recognised by applying a five-step model as follows:
2. Identify the contract with the customer
3. Identify the performance obligations
4. Determine the transaction price
5. Allocate the transaction price to the performance obligations

Recognise revenue as and when control of the performance obligations is transferred

Trigg Island Surf Life Saving Club Inc

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Summary of Significant Accounting Policies

(a) Revenue and other income (cont.)

Gain on disposal of non-current assets

When a non-current asset is disposed, the gain or loss is calculated by comparing proceeds received with it carrying amount and is taken to profit or loss.

Other income

Other income is recognised on an accruals basis when the Association is entitled to it.

(b) Income Tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(c) Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

(d) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value.

Inventories acquired at no cost, or for nominal consideration are valued at the current replacement cost as at the date of acquisition, which is the deemed cost.

(f) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

Trigg Island Surf Life Saving Club Inc

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Summary of Significant Accounting Policies

(f) Property, plant and equipment (cont.)

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Assets measured using the revaluation model are carried at fair value at the revaluation date less any subsequent accumulated depreciation and impairment losses. Revaluations are performed whenever there is a material movement in the value of an asset under the revaluation model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Furniture, Fixtures and Fittings	5% - 20%
Competition Equipment	10%-20%
Leasehold improvements	5% - 20%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(g) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial Assets

Financial assets are divided into the following categories which are described in detail below:

- a. loans and receivables;

Trigg Island Surf Life Saving Club Inc

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Summary of Significant Accounting Policies

(g) Financial instruments (cont.)

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument’s category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or in other comprehensive income.

All income and expenses relating to financial assets are recognised in the statement of profit or loss and other comprehensive income in the ‘finance income’ or ‘finance costs’ line item respectively.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The Association’s trade and other receivables fall into this category of financial instruments.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

In some circumstances, the Association renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the Association does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

Any gain or loss arising from derivative financial instruments is based on changes in fair value, which is determined by direct reference to active market transactions or using a valuation technique where no active market exists.

Financial liabilities

Financial liabilities are classified as either financial liabilities ‘at fair value through profit or losses or other financial liabilities depending on the purpose for which the liability was acquired. Although the Association uses derivative financial instruments in economic hedges of currency and interest rate risk, it does not hedge account for these transactions.

The Association ‘s financial liabilities include borrowings, trade and other payables (including finance lease liabilities), which are measured at amortised cost using the effective interest rate method.

Impairment of financial assets

At the end of the reporting period the Association assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

Trigg Island Surf Life Saving Club Inc

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Summary of Significant Accounting Policies

(h) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(i) Leases

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association’s incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association’s assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(j) Employee benefits

Provision is made for the Association’s liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. No impairment exists in the current financial period.

Trigg Island Surf Life Saving Club Inc

Notes to the Financial Statements
For the Year Ended 30 April 2026

3 Critical Accounting Estimates and Judgments

Key estimates - inventory

Each item on inventory is reviewed on an annual basis to determine whether it is being carried at higher than its net realisable value. During the year, management have written down inventory based on best estimate of the net realisable value, although until the time that inventory is sold this is an estimate.

4 Revenue

	2026	2025
	\$	\$
Sales revenue		
- Membership fees	194,695	179,397
- Sale of food, beverage and merchandise	176,134	237,887

Trigg Island Surf Life Saving Club Inc

Independent Audit Report to the members of Trigg Island Surf Life Saving Club Inc

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Trigg Island Surf Life Saving Club Inc (the Association), which comprises the statement of financial position as at 30 April 2026, the statement of profit or loss, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by members of the committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, including:

- (i) giving a true and fair view of the Association's financial position as at 30 April 2026 and of its financial performance and its cash flows for the year ended; and
- (ii) complying with the Associations Incorporation Act (WA) 2015.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act (WA) 2015, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material

Crunch Auditing Pty Ltd

misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
